

# JACRC Joint Atlantic & Chesapeake Ranges Cooperative

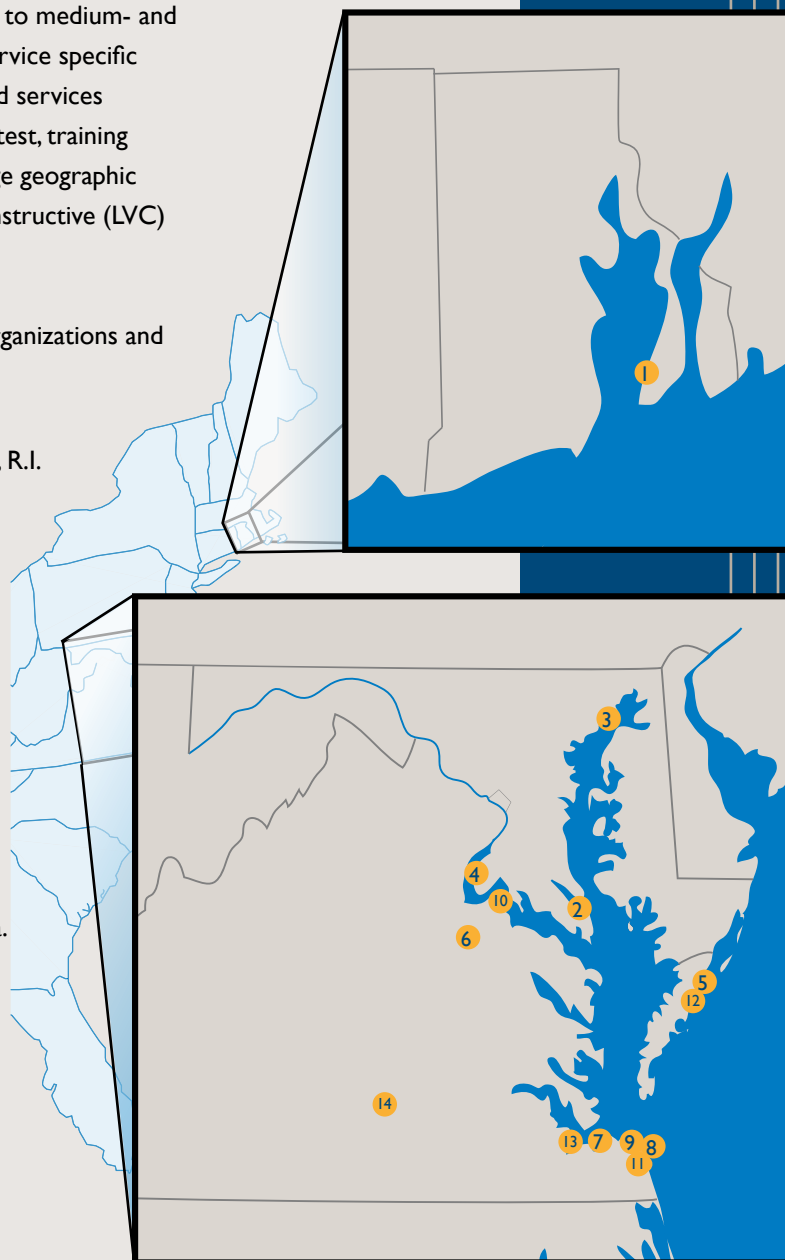

The Joint Atlantic & Chesapeake Ranges Cooperative (JACRC) is an alliance of Department of Defense test and training ranges and facilities and federal agencies in Maryland, Virginia and Rhode Island. Through a Memorandum of Agreement, JACRC members agree to collaborate in supporting the Research, Development, Test and Evaluation (RDT&E) and interoperability requirements of Department of Defense acquisition managers; to support and cooperate in all phases of Warfighter Readiness Training and Joint Forces Warfare Experimentation.

The JACRC works together to support service-specific test and training events and exercises – from small-scale, unit-level events to medium- and large-scale exercises. The large-scale exercises may be service specific or joint (JTFEX, Joint Red Flag), to include multiple armed services and/or combined with coalition participants and involve test, training and experimentation. These exercises typically cover large geographic areas, at distributive sites and involve live, virtual and constructive (LVC) participants in land, sea and air environments.

The JACRC partnership is comprised of the following organizations and commands:

- 1 Naval Undersea Warfare Center (NUWC), Newport, R.I.
- 2 NAVAIR Atlantic Test Ranges, Patuxent River, Md.
- 3 U.S. Army Aberdeen Test Center, Aberdeen, Md.
- 4 Joint Interoperability Test Command, Indian Head, Md.
- 5 NASA Wallops Flight Facility, Wallops, Va.
- 6 U.S. Army Fort A. P. Hill, Bowling Green, Va.
- 7 U.S. Fleet Forces Command (N73), Norfolk, Va.
